A Message from the President...

CAI-WI is excited to present this year's member directory! With this year's highest numbers in membership, this directory is a great way to establish new contacts and resources that you or your community may need.

Your directory allows you to connect with other CAI Members, Volunteer Leaders, Association Managers and Business Partners. These members and professionals can help advise and service you and/or your communities.

We are excited to close out the year with success and begin 2025 with a bright outlook. Please also share your CAI resources with your friends and family that may benefit from these professionals.

The CAI-WI directory is also available online through the CAI-WI website.

Sincerely,

Erica Joyce

SPRING INTO COMPREHENSIVE PROTECTION WITH MID-STATE INSURANCE

As spring breathes new life into the picturesque landscapes of Wisconsin, your Condominium Association deserves insurance coverage that blossoms with precision and thoroughness. In compliance with state regulations, Condominium Associations are required to safeguard their properties against loss, ensuring coverage at the full replacement value.

At Mid-State Insurance, we will collaborate with you to craft a Master Policy tailored to not only meet regulatory standards but exceed them. Our collaborative approach involves a detailed understanding of your association's by-laws, ensuring a customized coverage approach that mirrors the vitality of spring.

Just as nature offers a diverse array of blooms, we recognize the multifaceted risks your association may face. Consider these additional coverages:

- Directors and Officers Coverage
- Hired and Non-Owned Auto Liability
- Ordinance or Law Coverages
- Water/Sewer Back-Up
- Crime Coverage - Including Fraud and Embezzlement
- Earthquake or Flood Coverage

Engage with us to discuss a tailored insurance solution that anticipates and mitigates potential challenges.

Wintrust Community Advantage is one of the Midwest's leading financial service providers to condominium, townhouse, and homeowner associations. Everything a community association or property management company needs to manage its finances is our specialty.

We offer a complete suite of financial solutions and services to assist associations in managing their cash and operations, such as assessment collections, a variety of lending options, reserve investments, disbursement services, and account management services. If your members would rather pay assessments online, we can facilitate that. If you'd rather take out a loan for a new roof instead of depleting your reserve funds or issuing a special assessment, we can tailor a lending solution for your situation.
